## SPONSORSHIP - CERTIFICATE OF RECOGNITION

Christchurch (New Zealand), 08/02/2012

By this letter I am glad to declare that ISC is a diligent collaborator of the MILES OF SMILES AROUND THE WORLD project, thus, it appears as one of the main sponsors on the website [www.biciclowan.com](http://www.biciclowan.com).

It is a pleasure to count on its support, regular and growing, and it is nice to see that in our world there are generous people who try to help others and who are not guided exclusively by monetary values.

I hope that the example of ISC will extend to other companies and other organizations so that other people can benefit from this vision of modern business where money is not the only engine.

Thank you very much, Álvaro the biciclowan
